

## NATIONAL ACCREDITATION PROGRAM FOR BREAST CENTERS

### Breast Care Center NCI Comprehensive Cancer Center Wake Forest University Baptist Medical Center

Wake Forest University Baptist Medical Center (WFUBMC) is one of the nation's leading academic medical centers and the only academic medical center in western North Carolina. Housed in the Comprehensive Cancer Center, the Breast Care Center has been strongly supported by WFUBMC since its inception. True multimodality care has been standard practice since the Breast Care Center was organized in 2000. The mission of the center is to provide state of the art assessment and therapy for the treatment of the full spectrum of breast disease in a coordinated and timely fashion. The foundation of our approach to breast care is to maximize expertise available to patients in a minimum number of visits. This foundation is built upon the experience of a dedicated team of physicians and providers who are committed to the concept of providing optimal care. The Breast Care Center consolidates the services of a team of breast surgeons, radiologists, surgical, medical and radiation oncologists, plastic surgeons, pathologists, specialty nurses, research nurses, genetic counselors and patient navigators. Since the team is in a central location, patients can be seen by multiple specialists during a single visit. Other ways the center meets the goal of quality care and services is through our research efforts and our patient support programs.

**BREAST PROGRAM LEADER:**

**BPL Name:** Edward Levine, MD  
**Specialty:** Surgical Oncology

**STAFF CONTACT:**

**Staff Contact:** Inez Evans, BS, RHIT, CTR  
**Title:** Manager, Cancer Registry

**AVAILABLE SERVICES:** (X indicates available services)

**Diagnosis**

- Fine Needle Aspiration (FNA)
- Stereotactic Core Needle Biopsy
- Ultrasound-Guided Needle Biopsy
- MRI-Guided Needle Biopsy

**Interdisciplinary Breast Team**

- Multidisciplinary Breast Conference

**Treatment**

- Surgery
- Sentinel Lymph Node Biopsy (SNB)
- Reconstructive Surgery
- Chemotherapy
- Radiation Therapy

**Pathology**

- Radiology/Pathology Correlation
- Gene Studies (ER/PR, Her2)
- Tissue Banking

**Education, Support, and Rehabilitation**

- Patient Education
- Physician Education
- Psychosocial Support
- Physical /Occupational Therapy
- Nutritional Counseling
- Survivorship Program
- Other: \_\_\_\_\_

**Data Management**

- Data Collection Mechanism

**Imaging**

- Screening Mammography
- Diagnostic Mammography
- Breast Ultrasound
- Breast MRI
- Other: \_\_\_\_\_

**Patient Support**

- Patient Navigator
- Specialized Nursing

**Genetic Evaluation**

- Genetic Risk Assessment
- Genetic Counseling
- Genetic Testing

**Rehabilitation**

- Lymphedema Prevention & Treatment

**Research**

- Cooperative Group Trials
- Institutional Original Research
- Industrial Sponsored Trials
- Other: \_\_\_\_\_

**Community Outreach**

- Community Education/Screening

**Quality Improvement**

- Center Specific Quality Improvement Studies
- National Quality Improvement Studies
