

THE BREAST CENTER AT MILFORD REGIONAL MEDICAL CENTER

The Breast Center at Milford Regional Medical Center (MRMC) provides comprehensive evaluation, counseling and care of breast issues - both malignant and benign. Following the example of the Medical Center's dedication to the surrounding community, the Breast Center brings together compassionate and highly qualified professionals to address breast concerns in an efficient, relaxing and supportive atmosphere that is state-of-the-art and close to home. The Breast Center's partnership with the Dana Farber Cancer Institute/Brigham and Women's Hospital Cancer Center supports a team of physicians, nurses and support staff who address all of the needs of our patients and their families.
