

## NATIONAL ACCREDITATION PROGRAM FOR BREAST CENTERS

### Breast Health Center Park Ridge Health

The best protection is early detection. The Park Ridge Breast Health Center is dedicated to women's breast health and it offers a patient-centered environment and multi-disciplinary team approach for women with cancerous and non-cancerous breast conditions. The center also offers same-day mammogram results so women don't have to wait. A consultation with a specialist within 24 hours and advanced imaging technology are key services.

The center is accredited by the American College of Surgeons' National Accreditation Program for Breast Centers (NAPBC), and is a member of the National Consortium for Breast Centers. The center serves women who have discovered a breast lump or have an abnormal mammogram and provides: ultrasound, needle biopsy, image directed biopsy and breast MRIs. Women who have non-cancerous breast conditions such as: Fibroadenoma, Fibrocystic breasts, breast pain, mastitis, nipple discharge or breast implant problems will also benefit from services offered at the Park Ridge Breast Health Center.
