

Breast Care Center Methodist Estabrook Cancer Center

The Breast Care Center of Methodist Estabrook Cancer Center offers comprehensive imaging and treatment services. A collaborative, multidisciplinary medical team focuses their combined expertise on diagnosis and treatment planning of every potential breast cancer case. Breast care coordination is overseen by an experienced advanced practice registered nurse (APRN). State-of-the-art imaging and state-of-the-art treatment options allow the Breast Care Center to individualize and expedite care. Access and participation in local and national clinical trials is included. A full range of support services and educational resources is provided.
